Commissioner for Patents

This action is in response to the communication filed by Applicant on 6/22/05.

Applicant states "the appealed claims (claims 1, 2 and 4) do include the term 'complicated'". This is incorrect. The appealed claims do not include the term "complicated" because the amendment after final filed 12/1/00 was not entered. Applicant must file a copy of the appeal brief containing a correct copy of the appealed claims. Applicant filed a response on 9/20/04 in response to the petition decision of 8/18/04 that contained a correct copy of the appealed claims. However, in the appeal brief filed on 2/7/05, Applicant again filed an incorrect copy of the appealed claims. No amendment after final has been entered, therefore, Applicant should appeal/argue the rejections of record contained in the final office action of 6/1/00. See the Notice of Non-Comppliance mailed 4/22/05 for the time period for response.
